Vice President for Academic Affairs at Northwest Florida State College

Northwest Florida State College announces an executive search for a proven, innovative academic administrator to serve as Vice President for Academic Affairs (a.k.a. Teaching and Learning), the chief academic officer of the College. Applications and nominations are accepted through this recruitment process.

The Leadership Opportunity

Northwest Florida State College (NWF State College) is a multi-campus institution serving nearly 10,000 students and offers associate and baccalaureate degree programs in addition to vocational certificates and adult education.

NWF State College has been named one of the nation’s 150 top community colleges by the Aspen Institute College Excellence Program every year since the inception of the program. The College recently was ranked #8 by schools.com on its list of the best community colleges in Florida based on factors such as cost, graduation rate, and flexibility.

Directly accountable to the College President, Dr. Devin Stephenson, the Vice President for Academic Affairs plays a positive leadership role in helping the College effectively manage change in an environment of continuous improvement.

As the chief academic officer, this administrator must be a proven visionary, strategic, innovative, and collaborative leader. The Vice President for Academic Affairs will have duties and responsibilities that require electronic accessibility both on and off campus and beyond the College’s regular operating hours.

Responsibilities

College
- Provide leadership and administrative oversight for all instructional programs and services of the College.
- Monitor legislative, regulatory, and accreditation-related issues and changes for impact and action at the college level as related to teaching and learning.
- Approve and supervise the development of all academic program publications.
- Represent the College at various state and local meetings, organizations, and conferences.
- Develop continuous improvement plans for the areas supervised.
- Develop annual budgets and manage financial resources in the areas supervised.
- Keep the President informed of activities, challenges, concerns, and achievements.
- Collaborate to create an annual academic calendar for review and approval by the President’s Cabinet.
- Supervise the development of articulation agreements and academic program partnerships with public schools, technical career centers, colleges and universities, and business and industry partners, avoiding duplication of efforts and resources and ensure seamless pathways for students.
- Work cooperatively with other members of the President’s Cabinet to ensure institutional and student success.

Faculty
- Provide leadership for the faculty in pursuit of excellence in teaching and learning.
- Promote innovation in curriculum development and student learning outcomes assessment.
- Ensure open communication and information-sharing throughout all areas of responsibility.
- Foster integrity, quality, creativity, and innovation across all areas of responsibility.
- Coordinate and facilitate a faculty/staff professional development plan that includes college-wide training events such as the Adjunct Faculty Workshop and the New Faculty Orientation Program.
- Recommend full-time and part-time faculty for employment.
- Guide, supervise, mentor, and evaluate faculty, administrative personnel, and support staff as appropriate.
- Resolve student, faculty, and staff problems as appropriate.
- Recommend the renewal, nonrenewal, or dismissal of faculty and college personnel in the areas supervised.

Northwest Florida State College Mission Statement

Northwest Florida State College improves lives. We deliver outstanding educational programs that are relevant, accessible, and engaging for students of all ages and provide exceptional cultural, athletic, and economic development activities for the communities served. We commit to excellence, creativity, integrity, and service.
President of Northwest Florida State College

G. Devin Stephenson

G. Devin Stephenson, Ed.D., was appointed President of Northwest Florida State College in early 2017. He brought to the Florida institution extensive experience in community college executive administration having served in President/CEO positions in Alabama, Missouri, and Kentucky.

Dr. Stephenson has led the College to Silver Status in the Florida College System Performance Funding and to a Top 150 recognition in the 2018 Aspen Institute's Community College Excellence Recognition Program. In concert with the local legislative delegation, Dr. Stephenson championed the passage of Florida HB75 allowing all 28 Florida College System institutions to waive fees for active duty military and provide access to higher education.

He earned an associate degree in science from Walker Junior College and a Bachelor of Arts degree in business administration from Birmingham-Southern College. He holds both a master's and a doctoral degree in the Administration of Higher Education from the University of Alabama.

He serves as member of the Southern Association of Colleges and Schools Board of Trustees and is a visiting committee chair with the Commission. Additionally, he is a Board Member of the Florida Association of Colleges and Universities and a member of the Florida College System Council of President's Steering Committee.

The Vice President will contribute to the overall mission of the College by performing other duties and responsibilities as assigned.

Qualifications and Requirements

Candidates must have an earned doctoral degree from a regionally accredited college or university in a related education field. Full-time community/state college teaching experience is preferred; higher education teaching experience is required. Executive-level administrative experience in areas of teaching and learning/academic affairs is required.

In-state and out-of-state travel is required for meetings and professional development conferences, seminars, and workshops.

This is an administrative, exempt-level position. The Vice President is required to attend all Board of Trustees meetings as well as additional meetings requested by the President.

This position may require the employee to frequently work outside of the regular work schedule.

Other qualifications include:

- Demonstrated skills as an innovative and entrepreneurial leader.
- Demonstrated successes in working at a comprehensive community/state college with transfer education, health sciences, and career education workforce development divisions.
- Effectiveness in leading teams for improvement.
- Exceptional interpersonal and emotional intelligence skills.

- Demonstrated proactive vision that places student success at the heart of the areas of responsibility.
- Demonstrated proficiency in the use of technology and in promoting a student learning-centered approach.
- Participatory leadership style with demonstrated creativity and flexibility in problem-solving.
- Demonstrated ability to manage fiscal and personnel resources, plan and evaluate programs, and think strategically and proactively.
Nortwest Florida State College has a distinguished history of providing outstanding educational opportunities for students. Located in the heart of Florida’s Emerald Coast between Pensacola and Panama City, the College was established by the Florida Legislature in 1963 as Okaloosa-Walton Junior College. Its current name reflects the expansion of the College’s mission to provide educational access and opportunity for success to the region.

NWF State College’s service area stretches from the Gulf of Mexico to the Alabama state line and is centered primarily in Okaloosa and Walton counties. Two Air Force installations, Eglin AFB, including Duke Field, and Hurlburt Field, are in the service area.

The College is accredited by the Southern Association of Colleges and Schools Commission on Colleges.

In addition to the picturesque 264-acre main campus located in Niceville, the College operates a campus in Fort Walton Beach, the Chautauqua Center in DeFuniak Springs, the Robert L.F. Sikes Education Center in Crestview, and centers at Hurlburt Field and in South Walton County.

NWF State College offers four baccalaureate degrees: Bachelor of Applied Science in Management and Supervision; Bachelor of Applied Science in Project Management; Bachelor of Science in Education, including early childhood and elementary education; and Bachelor of Science in Nursing. More bachelor’s degree programs are being developed.

The College’s Associate in Arts degree provides full transfer of credit for those students who plan to pursue a bachelor’s degree. The Associate in Science degrees have companion certificates that may be used as a career path toward the AS degree.

Courses for adults in literacy, English for Speakers of Other Languages, Adult Basic Education, vocational preparatory/job readiness skills, and GED preparation programs are also available.

Dual enrollment allows high school students to enroll and earn college credit and credit for high school graduation simultaneously. This is offered to public, private, and home-schooled students.

In its latest year of record, the college’s 2018-2019 Total Revenue was in excess of $44 million. State funding represented 49 percent of the total, while student fees and financial aid were 30 percent, and other revenues/transfers were 21 percent.

NWF State College offers intercollegiate baseball, softball and men’s and women’s basketball programs that consistently compete for conference, regional, and national titles. In 2015, the Raiders won the national NJCAA Division I championship in Men’s Basketball.

central hub of student and community life on campus. The Student Activities Center is home to the Barnes & Noble bookstore and Starbucks Cafe.

The Mattie Kelly Fine and Performing Arts Center on the Niceville campus offers an annual series of traveling Broadway shows and is home to the College’s Northwest Florida Symphony Orchestra, the region’s premiere professional orchestra.

Fort Walton Beach Campus

The Fort Walton Beach Campus operates as a joint campus with the University of West Florida, sharing the same general location, to provide higher education to the residents of Fort Walton Beach and surrounding areas. The campus offers a wide variety of programs, courses required by specific programs, seminars/workshops, and community activities.

Located in Okaloosa County, the Fort Walton Beach Campus offers educational opportunities similar to those at the main campus. These include computer and science laboratories, a library (maintained by the University of West Florida), and student services, such as admissions/registration, advising, and testing.

As part of the College’s commitment to provide leadership and support for the economic and workforce development of Okaloosa and Walton Counties, the Campus houses various economic development programs including the Economic Development Council of Okaloosa County, the Technology Coast Manufacturing and Engineering Network, and other endeavors.

Hurlburt Field Center

This center provides college-credit courses and other programs designed to meet the needs of Hurlburt Field personnel. Housed at the base education center, the Center provides advising, admissions/registration, financial aid information, and placement testing.

The Center has a special program that allows military members to expand a Community College of the Air Force (CCAF) degree to a second college degree with as few as 15 additional college credits from NWF State College. As a Service member's Opportunity College, NWF State College allows degree completion in the event of a Permanent Change of Station move.

Chautauqua Center

The Chautauqua Center in DeFuniak Springs serves Walton County residents of all ages and levels of education – from adult basic education to college degree programs. The Center provides services free-of-charge to adults who do not have a high school diploma, including adult literacy programs, English-as-a-Second-Language, and courses to prepare for the GED exam. An innovative distance learning program provides adult basic education and other services via the Internet.

South Walton Campus

This campus serves the residents of South Walton County, Destin, Freeport, and surrounding areas with college credit and non-credit programs, adult basic education, college preparatory courses, academic advising, admissions, registration, financial aid information, and placement testing. The Center also houses the offices for AmeriCorps and the Choctawhatchee Basin Alliance (CBA), an environmental organization operated under the auspices of the College.
